

# THE WEBBER INDEPENDENT SCHOOL

*Achieving Excellence Together*

12 December 2016

Dear Parents/Guardians

As I am sure you are aware by now, Miss Mitchell is leaving The Webber Independent School to move to Cornwall in January. I am delighted to have been given the opportunity to work with the Sixth Form students, parents and staff as the new Head of Sixth Form.

I have a BA Degree in History, a PGCE and an MA degree in Education and International Development. As a classroom teacher, I have worked in a variety of schools in the UK including London, Cornwall and most recently in an Academy in Banbury.

As well as working in the UK, I have been lucky enough to have spent some time abroad. In Uzbekistan, I was employed by the Uzbek government to help establish schools following the English National Curriculum. I was also Programme Manager for a charity in Nepal running Health and Education projects in rural and mountain districts.

I have not always worked in Education and have experience of managing Community Punishment Orders for the Devon and Cornwall Probation Service and the Family Conferencing Programme run by Cornwall Social Services.

As Head of Sixth Form, I hope to be able to ensure both the highest academic achievement as well as develop an enthusiasm for, curiosity in and understanding of the world around us. I think that this generation has particular opportunities and responsibilities in all of these areas.

If you have any questions please do not hesitate to contact me via email as detailed below.

I look forward to meeting you very soon.

Kind regards

Tom Troy  
**Head of Sixth Form/History**
