

THE WEBBER INDEPENDENT SCHOOL

Achieving Excellence Together

20 January 2017

Dear Parents / Guardians

International Week 6-10 February 2017

The Webber Independent School has a diverse multicultural and international community and we are proud to celebrate and recognize this richness. For this reason, as some of you may remember, every year we celebrate this throughout our International Week.

During the week students will learn about the many traditions and cultures of different countries. The school will enjoy a range of curriculum links and special activities to introduce them to a wealth of fascinating facts, music, arts and flavours from around the world.

For KS4 and KS5 students International Week will only take place during form time as they need to concentrate on preparing for their external examinations.

On Friday 9 February in the afternoon we will invite you to share with the students a World Exhibition. We plan to have stalls representing as many different cultures as possible. This might include Henna painting, traditional costumes, storytelling, food tasting, dances, languages, artefact displays, music performances, arts and crafts and anything else you care to suggest. Students and parents will dress up in traditional costumes.

This amazing experience will only be possible if parents are willing to come and be involved in the activities by sharing ideas and experiences. This year we would like to invite parents to come to school during the week to share a bit of their culture. It could be to teach some words in their mother tongue, to give a short talk about their country, do some crafts, tell a story, play music, play games etc.

Please use the attached reply slip to let me know if you would like to help during the week.

I would like to take the opportunity to thank all those parents who have already contacted me with fantastic ideas.

Kind regards

Montserrat Carrillo

Yes I would like to participate by:

- Organizing a stall
- Bringing artefacts to showcase my culture
- Bringing traditional food to share (A polite reminder that nuts are not allowed in school)
- Helping in lessons during the week by teaching a language, telling stories, playing music/ singing, showing some dances etc.
