

THE WEBBER INDEPENDENT SCHOOL

Achieving Excellence Together

15 September 2016

Dear Parents/Guardians

This month as a School Community we are supporting two different charities.

Jeans for Genes : Friday 23 September

On **Friday 23 September** it is Jeans for Genes Day. This charity funds a range of initiatives that improve the quality of life of families and children affected by genetic disorders. More information can be found about the work of this charity on the website given below. We raised as a school last year £195.00 for Jeans for Genes - Please follow the [Weblink](#) for more details.

Students are invited to support this charity by wearing their jeans to school and making a minimum suggested donation of £1 on the day.

MacMillan Cancer Support World's Biggest Coffee Morning : Friday 30 September

In partnership with FOWIS we are hosting our annual Macmillan Coffee Morning from 9 -10.30 in the Café at School.

We invite all students, staff and parents to bake and donate and come along and join the fun.

This charity provides medical, emotional, practical and financial support for people and their families who are diagnosed with cancer and campaigns for better cancer care: Please follow the [Weblink](#) for more details

Donations can be dropped off at Reception 8.00am on the 30 September.

We look forward to welcoming you to this event.

Thank you in advance for your support and generosity in supporting these two charity events.

Kind regards

Hilary B Marsden
