Dear Parents/Guardians

Bicycle Marking - Security Mark Your Child's Bicycle Free of Charge

Milton Keynes Community Support Officers will be in school on **Monday 31 October** during lunchtime to enable students to have their bicycles security marked.

Registering your bicycle helps Police and retailers identify and verify the legitimate owner of bicycles that have been stolen, or being resold.

Students will receive an optional TVP/bicycle marking sticker as a preventative measure; the bicycle will then be registered for them. They will then receive by email an electronic logbook once the registration process is completed.

Please complete the reply slip below if your son/daughter would like to have their bicycle marked so that I can ensure they are booked in to have the security mark done and that we have all the necessary details to hand.

Kind regards

Miss Chessum

Director of Pastoral Care
