THE WEBBER INDEPENDENT SCHOOL

From experience, it is essential that the students have a basic level of competency and be able to perform a 'snow plough' down a gentle slope. To this end we will be offering the opportunity for students to participate in a course of ski lessons at the Snozone Milton Keynes prior to our trip (details and prices will be communicated to you nearer the time). Further to this, if you are able to make some visits to the Snozone independently this will also help your child develop their confidence and basic skills which will enhance their enjoyment on the trip.

In order for this trip to go ahead we need a minimum of 21 students. If you would like to find out more about this opportunity we would like to invite you to a **Ski Trip Parents Information Evening** on the **29th November at 6.00pm** where we will share with you more detailed information, payment schedules and our experiences from last year's highly successful trip.

Please can you complete the attached form if you would like to attend the meeting?

Alternatively if you would like to reserve a place for your child before the meeting please complete the form and return it to Reception. In order to secure a place we will require a £200 non-refundable deposit by **1st February 2017**.

This is a fantastic opportunity for all abilities of skier from novice to expert with the resort of Courmayeur providing over 100 kilometres of slopes on our doorstep.

Please do not hesitate to contact me should you have any queries. I look forward to hearing from you.

Kind regards,

Mr L. Read
