

THE WEBBER INDEPENDENT SCHOOL

Achieving Excellence Together

30 September 2016

Dear Parents/Guardians and Staff

During the month of October, we will be supporting two nominated charities.

Harvest Festival Celebrations

As a whole school we are collecting tinned, non-perishable food donations from **3 – 14 October**.

We will be boxing the donations and our children will be delivering them to The Food Cupboard, a charitable church organization based in Bletchley, which provides emergency short-term food support for families and individuals in crisis via requests from professional agencies such as Children's Services and Social Services. For more information about the Food Cupboard please click [here](#) or the Food Cupboard image.

Listed below is the food list suggested by the Food Cupboard but you are of course welcome to donate as you feel appropriate. Donations can be handed in at Reception.

At this traditional Harvest-time of year, we would like to encourage all members of the WIS community to share with others who may be less fortunate as part of our awareness of World Citizenship and Community Service.

'Think Pink' – Breast Cancer Awareness Week

As you may already know through the media and as a result of The Webber Independent Students' Campaign last year, October is **'Think Pink' month for Breast Cancer Awareness**.

- ❖ Ribbons will be on sale at morning Form and Lunch times, and from the Reception front desk for a suggested minimum donation of £1.00.

❖ Wear It Pink Mufti Day - Friday 14 October

The students will also be finding out more about this issue and campaign in their Form Time, Assemblies and PSCH lessons at an age appropriate level.

We hope that you will join with us in supporting this charity and take part in some of the events that the Sixth Form students are leading on.
