

THE WEBBER INDEPENDENT SCHOOL

Achieving Excellence Together

24 February 2017

Dear Parents and Guardians

National Apprenticeship Show 13 – 14 March 2017

Our **Year 11** and **Year 12** students will be visiting the above event at MK Arena on **Monday 13 March from 10:00 to 12:00pm.**

About The National Apprenticeship Show

The National Apprenticeship Show brings together employers, colleagues and providers with those wanting to find out more about what apprenticeships can offer.

Over 100 exhibitors will be taking part, making this one of if not the largest event taking place in National Apprenticeship Week 2017, for more information click the logo above to go directly to the website. There are also free careers advice workshops running which we would encourage our young people to attend.

As part of our Work Related Learning Programme our students will be attending this event to learn more about the new apprenticeship programmes on offer and to consider potential placements for Year 11-12 internships.

Students will travel by school bus leaving site at 09:30 and returning for lunch at 1:00pm. Students will be in full smart school uniform for this event.

The entry is free to The National Apprenticeship Show and there will be no cost for transport.

Please complete the attached acknowledgement slip and return to Reception by Thursday 9 March 2017.

We look forward to an informative morning at this event which will help our young people to make intelligent and informed choices for their future education pathways.

Kind regards

Jennifer Tompkins

Work Related Learning Co-ordinator
