Achieving Excellence Together

Dear Parents/Guardians & Staff

The 4th Annual Milton Keynes Primary Schools 10k Championship for Parents, Staff and Governors

We are planning on entering a parents, staff and governors team into the 4th MK Primary Schools 10k Championship to be held on the Grand Prix Circuit at Silverstone on Tuesday 2nd May 2017 at 7.30pm. This is part of a long established race that attracts over 1000 runners and this year we would like to get involved. We know that many of you are already keen runners, some beginners, whilst some are searching for the motivation to do something completely different. Last year, there were over 180 runners representing 20 MK schools.

We can enter as many runners as we wish. The first 3 runners back, male or female, will score points for the team, with a trophy going to the best team. There will also be a trophy for the fastest male, female, staff member, governor and parent from the Milton Keynes Primary Schools. Please note this is NOT an event for the children to race in. Lots of people enter the Silverstone 10k as their first ever race as it is very beginner friendly. It is a great opportunity to make your children very proud of you.

To enter, you will need to complete the attached form and return it to school (with your race fee) FAO Mrs Willis. We are really keen for as many of you as possible to take part, regardless of your ability.

The deadline for the return of this letter is Wednesday 5 April 2017

Please do not hesitate to contact me if you require any additional information.

Kind Regards

K. Willis
