12 October 2016

Police Assembly on Internet Safety

Dear Parent/Guardian

I have invited Thames Valley Community Support Police Officers into school to speak to Year 7 on **Monday 31 October 2016** to deliver an assembly on Internet Safety.

Anti-Bullying Week starts **14 November 2016** and we have been studying rules and consequences in society, and how to keep safe. This assembly is to reinforce these lessons and provide additional advice and support on how to keep safe.

This session will enable students to receive valuable information on these topics and allow them to hear real life examples, enable students the opportunity to ask questions and to help them make informed choices in the future.

This is part of the requirements for the PSHCE curriculum and is an excellent opportunity to reinforce students' learning experiences.

If you have any questions please do not hesitate to contact me.

Kind regards

Miss Chessum

PSHCE Coordinator
Director of Students
