

23 January 2017

Dear Parents

**Online Safety Information Presentation – Monday 6<sup>th</sup> February: 4.30pm – 6.00pm**

During Safer Internet Week in February and in response to parental feedback/requests, we will be hosting another Online Safety Information Session for parents and carers.

The presentation will be delivered by our local Police Community Liaison Officers and is aimed at an adult audience focusing on the whole EYFS to Year 13 age spectrum.

We believe that social media and internet safety education is a crucial element of the curriculum and an essential part of young people's development.

This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment.

It aims to:

- Advise positive strategies to monitor your child/keep your child safe
- Ensure you are aware of the dangers of new online app's, games etc
- Provide proactive strategies to implement at home

We really hope that you will be able to attend and look forward to seeing you there.

Please complete the attached reply slip if you would like to attend this event.

Kind regards

*Hilary B Marsden*

Mrs H Marsden  
Headmistress
