

1 February 2017

Dear Parents and Guardians

**Safer Internet Day/Week - 'Be The Change: Unite for a Better Internet'.**

Tuesday 7th February is Safer Internet Day. We are running several events throughout the week to enable students and parents to be involved in a range of activities. I would like to remind you that we are hosting another Online Safety Information Session for parents and carers on **Monday 6th February from 4.30 - 6.00pm**. The presentation will be delivered by our local Police Community Liaison Officers and is aimed at an adult audience focusing on the whole EYFS to Year 13 age spectrum.

This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment.

It aims to:

- Advise positive strategies to monitor your child/keep your child safe
- Ensure you are aware of the dangers of new online apps, games etc
- Provide proactive strategies to implement at home

Please complete the **attached reply slip** if you would like to attend this event.

In addition to this, students will be studying how to stay safe on the internet with age appropriate activities in assemblies, the NSPCC Assembly for Years 3-6 and Workshop for Years 5 and 6, Form times and PSHE lessons during the week.

Attached is a Parent Safeguarding Leaflet, Conversation starter, a Fact sheet. Here is a link to a short video clip on the Safer Internet Day website <https://vimeo.com/199003812>.

There is also an additional link to the Safer Internet Centre, section for parents and carers <https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

We trust that you will find this information and workshop useful in working with us to keep your children safe online.

Kind regards

*Hilary B Marsden*
