Dear Parents and Guardians

The Webber Independent School PE Uniform 3-18

I am writing to you to inform you of the up-coming changes to the School PE Uniform 3-18.

In response to parent and student feedback we have been working with our PE Department and our uniform suppliers DJ Uniforms to create a fresh new look PE kit which is :-

- A modern, smart, sports design
- Made from high quality, durable, breathable sports fabrics
- Weather appropriate
- In Webber colours and with our distinctive logo
- Similar to our new senior school match kit

The new PE uniform will be phased in over the next 2 academic years.

Phase 1 : September 2017 : the new PE kit will be **compulsory only for new students joining the school** and for **existing students starting a new Phase** of the school e.g. Prep, Senior etc. who would be buying a new style PE kit for the new phase.

Of course existing students can also purchase the new PE kit from September 2017 if they prefer.

Phase 2: September 2018: The new PE uniform will be compulsory for all students 3-18.

By giving you sufficient prior notice of these changes and the planned phase in, I hope that this allows you to make the most of your child wearing their existing PE kit and also avoids you purchasing the 'old' style if you would prefer to wait for the new PE uniform.

In the meantime our supplier DJ uniform has agreed to discount all existing PE uniform stock by 30% whilst existing stocks last.

New House T Shirts will also be available from 1st April 2017 and we would ask that parents purchase these ready for Sports Day in June 2017.

Please be aware that as we phase out the old uniform there will be limited availability as stocks are run down for the transition to the new PE kit.

The new full kit for the 2017 phase will be available from June/July 2017.

THE WEBBER INDEPENDENT SCHOOL

Later in the year we will be able to share samples of the new uniform and full kit list and price guide with you and I am confident that both students and parents will be pleased with the new fresh look and quality of the PE uniforms and that our young people will wear it with pride.

Kind regards

Hilary B Marsden
