Sports Results:

On Tuesday 4th October our netball squad of Year 9-11 played an exciting game against SHLA, They defeated the opposition by 20 Goals to 13. This win was a result of their hard work with Consistent communication throughout. The girls all gave 100% effort and should be proud of what They achieved.

Wednesday 5th October saw the Year 3 and 4 students taking part in a Swimming gala at Stantonbury campus competing against 12 other schools Well done to our swimmers with a special mention to Daisy Hutchinson & Ken Moro who were invited by the organizers to join the local swimming club.

On Thursday 6th October Webber students competed in their first ever Triathlon This ISA competition was held at an ISA Prep School near Brentwood who hosted a fantastic day with 20 other Prep schools competing. All of the students swam 90 metres, followed by a cycle ride of 800m and finally the run of 800m. This was the first time that the children had ever completed a triathlon and they all proudly wore their medals of achievement. The usual Webber enthusiasm was evident throughout the day with students displaying a fantastic determined performance together with a highly supportive and encouraging attitude with each other. What am amazing day, roll on next year!!!!

On Thursday 6th October we attended the first of our badminton tournaments this year facing some tough opposition. Tom Carver and Adam Davies both reached the singles final playing against each other with Tom becoming victor. In the doubles Charlie and Joe lost to the eventual runners up, with Tom and Adam also winning the doubles. Well done to Webber for winning the overall tournament!!!
