Nursery Manager's Welcome

We are so delighted you are considering The Webber Nursery for your child's early years journey. As the Nursery Manager, it is my privilege to ensure that every child who joins our community feels safe, happy, and excited to learn. We understand that choosing the right nursery for your little one is a big decision, and we are here to support you in making that decision.

Our Nursery is a place where children are encouraged to explore, play, and grow at their own pace. We believe in fostering a nurturing, home-from-home environment where every child feels valued and supported. Our team is dedicated to providing personalised care and attention, ensuring that each child's individual needs and interests are at the heart of everything we do.

Through a blend of creative activities, outdoor play, and hands-on experiences, we help our children build confidence, develop important social skills, and foster a lifelong love for learning.

We value open communication and look forward to working closely in partnership with you to ensure your child gets the best start on their lifelong learning journey.

Lana Race

Miss Lana Race

Nursery Manager

“
We pride
ourselves on
being a home
from home
with a unique
education and
care provision.
”

We are Explorers

- The Webber Nursery is a home away from home, where learning is a journey of discovery. Our Nursery offers a stimulating environment where children feel safe, happy, and eager to learn.
- Situated in the heart of Milton Keynes, adjacent to Linford Wood's we welcome children aged 6 months to 4 years to four wonderful age specific learning classrooms.
- The beautifully appointed spacious grounds and bespoke learning spaces offer our children unlimited exploration and play opportunities, developing their well-being and confidence in a cosy, safe and loving environment. Creatively set up outdoor classrooms, woodland areas, multi-purpose sports hall, dance and drama studio, and landscaped grounds provide limitless opportunities for exploration and wonder.

Igniting Curiosity

- At The Webber Nursery, we follow the Early Years Foundation Stage (EYFS) Curriculum to ensure that each phase of your child's learning is extended and enhanced through exciting and stimulating activities and experiences both inside and outside of the classroom and wider community.
- Although standalone, The Webber Nursery is an integral part of the highly regarded Webber Independent School. The children enjoy Drama and Yoga in our dance studio, as well as multi-sports in the spacious indoor Sports Hall and outdoor AstroTurf pitch.

Building Strong Partnerships

- We invest in parental and child engagement and actively encourage our parents to be involved in Nursery life.
- We hold up to six Open Classroom events, Stay & Play sessions and Parents Evenings and workshops so you are fully informed and involved in each step of your child's learning journey with us.
- Our Parent App, Reach more Parents, enables us to keep you informed throughout the day on your child's progress and activities.
- Parents are also invited to join our Parent Group, FOWIS, where parents organize fun family events and raise funds for additional experiences and rewards together.

Creating Wonder

- Our passionate and highly qualified Nursery Team ensures that the beautifully creative rooms are nurturing, vibrant, and enriching, supporting your child's growth and development. They also ensure that all children are happy and very well cared for.
- We place great emphasis on health and well-being for all the children in our care and promise a strong focus on the importance of healthy minds and healthy bodies.
- The children look forward to delicious home-cooked nutritious meals and cooking sessions with the in-house chef, eco lessons in the Eco-Garden, and fun in the wonderful outdoor play areas. We create daily "wow moments" of discovery, awe and wonder.

Ready to Excel

- One key element the Webber parents value highly is the seamless transition to 'Big School' from our Pre-Reception class supported by a stage-not-age approach to each child's individual learning journey with specialist teaching in Phonics, Maths, Eco-lessons, Yoga, Physical Eductaion, and French.
- Webber's newly built Pre-Reception room introduces young learners to School life and engages them in play and development, with a strong focus on their numeracy and literacy skills.

Admissions

Come and feel the 'Webber Buzz' for yourself and see what makes our Nursery stand out! We would be delighted to invite you to a personalised tour to introduce you to our Wonderful Webber Team.

JOIN WEBBER IN TWO EASY STEPS

1. Arrange a Visit

Ms Lana Race, our Nursery Manager, will offer slots available throughout the school day at a time convenient to you. To arrange a visit, please complete the Enquiry Form or call our friendly Registrar, Mrs Sandra Murchison, 01908 574740 or email registrar@webberindependentschool.co.uk

2. Settling in Days - Welcome to Webber!

After your visit, you will be sent a digital application pack. Together, we will arrange three settling-in days based on the requirements discussed at your Nursery visit.
